

# two-in-one-

## MAXLUPE MINI PLUS

By connecting the receiver of **MAXLUPE MINI PLUS** to your television set, you achieve an even greater magnification. With the touch of one button, the image is transmitted wirelessly to the television screen.

**MAXLUPE MINI PLUS** is a mobile reading system and a CCTV at the same time.

Detailed product information is available from Reinecker Reha-Technik GmbH or your authorized distributor!

## MAXLUPE MINI

Version 1.0, Stand 07/06, Art.-Nr.: 000 10 759

### More than just a magnifier!

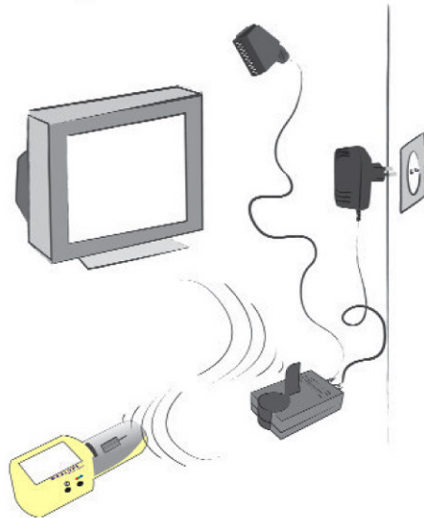

an electronic magnifier that brings back the fun of reading

- **MAXLUPE MINI plus**
- **MAXLUPE MINI**

# Small... but great comfort

**MAXLUPE MINI** is the first magnifier that combines, in a compact casing, the ease of use and the design of a classical hand held magnifier with the comfort of a CCTV. As the handling is similar to that of ordinary optical magnifiers you don't need to acquire new reading techniques.

**MAXLUPE** finally permits to browse catalogues, read a good book or enjoy your holiday snapshots effortlessly. It has never been so easy. All you have to do is place your **MAXLUPE MINI** on the text or document you want to look at and select the magnification level best suited.

## Reading in a new dimension

**MAXLUPE MINI**

**MAXLUPE MINI PLUS**

I take my **MAXLUPE MINI** with me wherever I go!

With the integrated battery **MAXLUPE MINI** is your reliable companion for your travels, leisure or your job.
